ASSA[®]
INNOVATIVE PANELS FOR MODERN LIVING!

ASSA IS A BEAUTIFUL STORY from us to you. It is coined from the word "AAS" in Hindi and the initials of our loving children, ASSA promises to create interiors that smell hope & freshness, look vibrant and stylishly affordable.

ASSA's introduction was stemmed primarily from the idea to provide its customer high performance level products to elevate their spaces.

With ASSA we wanted to break the general notion that the only way to upraise your interiors is through application of wood or wooden interiors.

ASSA provides a solution to upgrade your interiors in the most hassle free, cost effective and time saving manner.

Introducing the latest series by DELBY - ASSA Panels to seamlessly upraise your interiors. It is available in 24 shades and textures. It is a collection curated by mindful selection.
